Jenny Donald

(303) 505-8012
donald.jenna01@gmail.com

Software engineering graduate with training in multiple languages and frameworks. Dedicated to implementing new strategies to improve efficiency and creative problem solving. Looking for entry-level software engineering opportunities, open to remote/hybrid.

EXPERIENCE

Springboard — *Software Engineering Fellow*

JANUARY 2022 - NOVEMBER 2022

An 800-hour course covers key aspects of front-end web development, back-end web development, databases, and data structures and algorithms. Modules include learning resources, practice exercises, projects, and career-related coursework. Web Development, JavaScript, DOM Manipulation, Event Driven Programming, Git/Terminal/Github, Modern JavaScript and Testing, AJAX, jQuery, ReactJS, Redux, SQL, PostgresQL, Flask, Node, Express, Data Structures and Algorithms

Red Wing Shoes — *Sales Associate*

OCTOBER 2021 - JUNE 2022

Assisted customers with computer and electronic purchases in a high-volume store. Maintained up-to-date product knowledge by participating in product and vendor training. Ensured a clean work area while processing item stock and completing mark downs.

Starbucks Coffee Co. — *Barista/Trainer*

OCTOBER 2019 - AUGUST 2021

Improved and drove a high level of excellent customer service through recognition, coaching, training, and increasing employee morale. Collaborated cross-functionally and worked as a team to achieve targeted results. Reduced operating costs through efficient use of resources and fulfilled customer and store needs.

PROJECTS

Movie Database

Database-driven website built with an external API. Built with Python, Flask, and Flask-SQLAlchemy. Social platform for users to rate and share their favorite movies and TV shows.

NASA API Explorer

Application for bringing free NASA information to people who do not know how to access APIs on their own. Built with ReactJS, Express, and CSS.

SKILLS

Programming Languages: Python

Frameworks: ReactJS, Flask, jQuery, Node.js, Express

Scripting Languages: JavaScript

Databases: SQL, PostgreSQL

Web Technologies: HTML5, CSS, CSS3, GitHub, AJAX

Operating Systems: Windows, Linux, MacOS

EDUCATION

Springboard - Software Engineering Certificate, 2022
